## World Dyslexia Awareness Week observed at DPS Gandhinagar

Nisreen Kakkai, TGT Educator, DPS Gandhinagar

Delhi Public School Gandhinagar observed the World Dyslexia Awareness Week from 1<sup>st</sup> to 7<sup>th</sup> October 2018. Dyslexia, which is perhaps the most common form of learning disability, affects 1 in every 5 children all over the world. It affects a person's reading and writing abilities and other related activities. Along with several other awareness programmes such as, "Go Green for Dyslexia", "No Pens Day", "Fun Fair" "Super Sale for Dyslexia" etc, Saaransh Foundation and DPS Gandhinagar held a seminar on Dyslexia for teachers and the school authorities. 4<sup>th</sup> October is observed as World Dyslexia Awareness Day. On that day, then-house Dyslexia consultant Ms Manobina Chakraborty, also a member of British Dyslexia Association conducted two sessions for the teachers of DPS Gandhinagar. At present Saaransh Foundation and DPS Gandhinagar are together catering to the needs of about 75 students with specific learning disabilities, many of whom are Dyslexic.
